

Register & Attendance

The Governing Body

Thurton Church of England VC Primary School - Academic Year 2020/21

The Governors are responsible for policy and strategy. The Headteacher is responsible for the day-to-day running of the school and ensuring the policy and strategy agreed by the Governors is implemented. The Governing Body has a large number of legal responsibilities, amongst these are: ensuring the National Curriculum is properly delivered, arranging for religious education to be carried out, deciding how to spend the delegated budget and approving the many different school policies - such as those referring to discipline and behaviour and health and safety.

In this section of the website you can find out who the governors of our school are. If you would like to contact the governors, please do so by: telephoning the school: (01508) 480335, or emailing the school: office@thurton.norfolk.sch.uk

Register of Business Interests for School Governors

The register should set out the relevant business interests of governors and details of any other educational establishments they govern. The register should also set out any relationships between governors and members of the school staff including spouses, partners and relatives.
