Attendance at school

We would like to thank all our parents for their support in ensuring their children are consistently attending school after what has been a very challenging year.

At Thurton C of E Primary School our aim is to work with parents to ensure that all our pupils receive the most from their education and reach their full potential.

The Government remains very clear that no child should miss school apart from in exceptional circumstances and schools must continue to take steps to reduce absence to support children's attainment. I hope we can count on your continued support in this matter. Please do not hesitate to contact Mr Barber if you have any questions or concerns.

Hope

This term we are focussing on the Christian value of **Hope**.

"Look forward with hope, not backwards with regret." **Anonymous**

What do you think this means? You may wish to discuss this as a family.

Emails

There has been a lot of communication between the school and parents in the last few weeks and months. The majority of which has been via email. Please could parents ensure we have the correct email for you if you change your details, and if you would like us to send communications to both parents please let us know. Many thanks.

Clothing Confusion!

Please could parents remember to name all their child's clothing, especially jumpers as now the weather is warming up, when the children take their jumpers off we cannot always tell who they belong to!

Birthdays

This week our birthday wishes go to **Leila** and **Isaac** – we hope you have a very Happy Birthday!

Bug Busting!

This weekend is a **bug-busting weekend** so please check your child's hair for any head lice or eggs, and treat as necessary. Thank you!
