

## Thurton Primary School News

### Friday 18<sup>th</sup> September 2020

#### Have Your Details Changed?

Please could we ask that parents **let us know if there is any change to your contact details**, as it is vital we are able to contact you (or the other contacts we have for your child) in case of emergency.

We also need to be advised if any of the other information we hold about your child (such as medical, food/dietary requirements) has changed.

#### Please Park Politely

Please could we remind parents to park with consideration to our neighbours, in a way that allows the children to walk safely around the cars and leaves enough space for the school bus and emergency vehicles to pass. Please do not park on the junction with Park Close as this seems to be a particular problem, and we would like to remind parents not to park on double yellow lines or the zig-zag lines outside school. Thank you.

#### Keep our School Community Safe and Well

Please adhere to these rules when you are on our school site:

- Arrive at the correct time
- Social distance from others (2m)
- Collect/Drop and Go

Thank you!

#### Birthdays

This week our birthday wishes go to **Felicity, Noah W, Ollie, Molly and George** - a very Happy Birthday to you all!

#### Say Cheese!

Please note there has been a change in the date for our School Photographer coming in: they will now be in school on **Tuesday 29<sup>th</sup> September**.

#### Reminders

- Please could parents ensure their child has a **water bottle** in school every day.
- For safety reasons, please could all **bikes/scooters** be walked around the one-way system rather than being ridden.
- Parents are reminded that **lunches and snacks should be NUT-FREE** as we have children in school with nut allergies.

*Thank you!*

#### Snack Time!

Children in **Key Stage 1** are no longer required to bring in their own snack as we are now receiving deliveries of fruit from the School Fruit and Veg Scheme again.

We would like to take this opportunity to advise parents of children in **Key Stage 2** that we are a healthy school, and we aim to ensure all the children benefit from eating quality food during the school day. Detailed below are some of the snacks children are able to bring in and some they are not:

- Fruit and/or Vegetables
- Fruit-based snacks containing at least 50% fruit (eg. YoYo Bears)
- No foods high in fat, sugar or salt
- No confectionary, chocolate or chocolate-coated products.
- No savoury crackers or bread sticks

Many thanks for your support with this.

#### Next Week: Mon 21<sup>st</sup> – Fri 25<sup>th</sup> September 2020

	In School	After School
<b>Mon</b>	• PE	Performing Arts (KS2)
<b>Tue</b>		Multi-Sports (KS2)
<b>Wed</b>	• Lauren Talford Music Lessons	Aem Hai Karate (KS2) Cooking Club (Yrs 3/4)
