### All Aboard!

Red Class had a wonderful time at Great Yarmouth's Time and Tide Museum as Titanic passengers this week! They were introduced to different characters from the ship and did some excellent activities!

When they arrived they were given a ticket with the name of a real life passenger from the Titanic! They learnt to promenade along the ship's deck and how to waltz with each other (even the boys enjoyed this - in the end!). They laid a first-class dining table to exact measurements, then tested how cold the icy water actually would have been when the Titanic sank. They even learnt a bit of Morse Code and tried to decipher messages sent to and from the Titanic!

They had a great time and all looked amazing!
