#### Easter Service - New Date

Our annual Easter Service is taking place **in school on Thursday 4<sup>th</sup> April at 2pm** (not Friday 5<sup>th</sup> April as previously stated). We hope to see you there!

#### Medical Appointments

After Easter, if your child requires a medical appointment during school hours we will be asking you to complete a medical appointment form. This will apply if you are bringing them in late or collecting them during or before the end of the school day. The information collected on this form ensures that we are able to authorise their absence as a medical appointment on the register.

If you require a form please see the school office. These should be completed in advance of the appointment. Where an emergency appointment is made during the day, we will ask you to complete the form when you collect your child.

Can we take this opportunity to encourage you, where possible, to book to routine medical appointments outside of school hours to minimise the impact on learning. Thank you.
