Thurton CE Primary School

PTA

After over a year of no fundraising due to Covid, Thurton PTA are hoping to kick start things again! We are having a coffee morning on Thursday 4th November at 8:45am. We look forward to welcoming parents old and new, to discuss the school, fundraising ideas and just catch up.

Due to the PTA being inactive for almost 2 years we really need as much support as possible: we can't continue the PTA without parent support and help. A lot of the new parents haven't had the opportunity to attend one of our coffee mornings before - it's a great way to catch up with other parents and meet new ones. Everyone is welcome, we are happy for you to bring little ones along too.

We will be tagging the AGM onto the end of coffee morning, and all the PTA roles will be up for renewal. We are really keen to get some new faces on board to fundraise for the children to make their school experience even better than it already is. If anyone is interested in taking on the roles of either Chair, Secretary or Treasurer please ask the office for more details.

So that we have an idea of numbers, the school will be sending out an invitation for you to reply to. Thank you for your support and we look forward to seeing you there.

Please Keep Our Children Safe!

We have had further concerns raised by our neighbours, who are worried about the unsafe parking that can be seen around school at drop-off and pick-up. This often means that children have to walk in the road rather than on the path which is obviously dangerous. Please could we ask that parents park legally and safely around school, particularly in the area photographed and not on junctions or double yellow lines. Thank you for your support with this.
