Christmas has Landed at Thurton!

The children had a lovely time this week making Christmas wreaths with their parents. There were some beautiful creations and it really got everyone into the Christmas spirit! Thank you for all the lovely foliage and other items that were donated to make the wreaths. And thank you to the PTA for organising yet another fantastic fundraiser for the school.

Children are invited to wear a Christmas Jumper (with school uniform) on 11th December. If you would like to make a donation please visit our JustGiving page – link below – unfortunately we are unable to accept cash donations.

Introducing our New PSA...

Hi everyone, I'm Claire Cookson, and I'm really pleased to be joining the Thurton School community and stepping into the role that Monika previously held. I know how valued her work has been here, and I'm looking forward to continuing that support for pupils, staff and families.

I've spent over sixteen years working with children and their adults in schools and community settings, helping them build resilience, manage emotions and feel more settled in uncertain times. If you'd like to find out more about how I help, please follow this link to the Feel Good Norfolk directory:

I'm excited to get to know you all and become a familiar, friendly face around school. If you see me, please do say hello!
