Mrs Maggie Coe

Rector:
Revd. Chris Ellis

Dear Parents/Carers

As part of our Space topic we have arranged for a company called Star Gazing to come into school to work with the children for the day. There will be an assembly for all the children and then they will be taking part in lots of fun activities like making (and launching!) Bottle Top rockets and watching a planetarium show!

The PTA have very kindly offered to contribute towards the cost of this. We are also asking if parents could make a £3 voluntary contribution in order to help cover the cost. We think this will be a very enjoyable and exciting experience for the children.

Please could any contributions be handed into the school office.

Many thanks

Yours sincerely

Miss L. Debenham
