Enjoy, Achieve, Believe

Dear Parent/ Carer

ICT, including the internet, mobile technologies and e-mail, has become an important part of learning in our school. We expect all children to be safe and responsible when using any ICT.

Your child has discussed these rules with their teacher and understands our expectations for following them to keep themselves and others safe.

Please read and discuss these e-Safety rules with your child to support the safe use of ICT at Thurton C of E Primary School.

If you have any concerns or would like some explanation please contact your child's class teacher.

Thurton Primary Pupil e-Safety Rules & Acceptable Use Agreement

1. I will only use ICT in school for school purposes.
2. I will not tell other people my ICT passwords.
3. I will only open/delete my own files.
4. I will make sure that all ICT contact with other children and adults is responsible, polite and sensible.
5. I will not deliberately look for, save or send anything that could be unpleasant or nasty. If I accidentally find anything like this **I will tell my teacher or a responsible adult at school immediately.**
6. I will not give out my own details such as my name, e-mail, phone number or home address. If someone asks for my own details or to meet me, **I will tell my teacher or a responsible adult at school immediately.**
7. I will be responsible for my behaviour when using ICT because I know that these rules are to keep me safe.
8. I will use the internet sensibly and safely and I have permission to use the internet at school from my parents/carers.
9. I know that my use of ICT can be checked and that my parent/carers may be contacted if a member of school staff is concerned about my e-Safety.
