

Thurton

Church of England VC Primary School

20th March 2019

Dear Parents/Carers

Parents' Online Safety Meeting

We have arranged two meetings for parents to provide information about keeping children safe online. These are being held on Thursday 28th March at 2.30pm and 4.30pm. These sessions are designed to educate parents/carers about the internet as a fantastic resource but also to provide information about the potential dangers. It is designed to help parents equip their children with the knowledge and tools they need to use the internet safely before progressing to high school.

The presentation normally lasts approximately 45 minutes and is designed to encourage parents and carers to engage in conversation with their children regarding the value of the internet, and highlights what to look for if you have any concerns. The materials used are provided by agencies such as CEOP (Child Exploitation and Online Protection) and the NSPCC.

These meetings are designed for parents only, however there will be a childcare facility for parents attending the 4.30pm session. We hope you are able to join us.

Yours sincerely

Mr J. Barber
