

November 2019

Dear Thurton Parents,

Thank you for the tremendous response to the Free Trial Lessons programme on the Bandwagon over the last few weeks. It has been a great pleasure to meet your wonderful children and I can safely say that an awesome time was had by all involved. The response has been so overwhelming in fact that I have decided to 'tweak' my timetable, and allow myself Tuesday mornings also at Thurton. This means that there are some extra spaces 'up for grabs', including, Guitar, Ukulele, Drums, Singing and Keyboard. If your child has already had a free trial lesson, but has not yet enrolled and would like to be part of the Bandwagon family, please type the link below into your web browser, click 'enrol now' and fill out the details at your earliest convenience. This will automatically alert us to put your child in the timetable for the following week.

If you would still like to book a free trial lesson for your son/daughter, please fill out one of the 'Free Pass' leaflets from the school office at Thurton and return it to them. Alternatively, you could email us at info@thebandwagon.uk indicating your permission for us to use CCTV during the session, the name, class and year of the students, and of course which instrument/instruments they would like to try out.

I am very excited at the prospect of having a much larger cohort at Thurton. I feel that with the talent and enthusiasm at our disposal will make for some sensational performances at future concerts and events. We would love it if you and your families could take that journey with us. Please do get in touch at your earliest convenience as again, space is limited and we don't want to disappoint anyone.

Thanks again for the emphatic response, we look forward to seeing you at future concerts and events.

All the very best,

Adam and Cat (the Bandwagon team).
