

Thurton

Church of England VC Primary School

17th November 2020

Dear Parents / Carers

Following further guidance from the Local Authority, we are reminding parents/carers of the importance of staying safe during school pick up and drop off times.

As the country is now in lockdown, and while our school playground remains an area where people are still allowed to congregate, we will be asking parents to wear a face covering at all times whilst on school premises. As per our normal advice, please remember to keep a 2-metre distance from other parents and carers at busy times during school pick up and drop off. We would also urge parents not to chat and linger with other parents in groups, and to keep to the advised staggered pick up and drop off times to help reduce crowding outside the school gates.

Local data suggests that coronavirus cases in South Norfolk are continuing to rise which means it's even more important that these simple guidelines are followed. This will help prevent the spread of coronavirus in our community.

Many thanks for your support.

Yours sincerely

J. Barber
